At Imagine we make high-quality artists' inks in a wide variety of colors, palettes, and multi-use forms to nurture our customer's creative soul. We live to support creative work and love empowering artists.

Imagine offers its own line of products such as Mboss Embossing Powder and On Point Glue as well as those of Tsukineko such as VersaMark and VersaFine Clair. This match-made-in-heaven has resulted in an unequalled product line that includes inks in a variety of colors, as well as tools that can be used on a variety of surfaces including paper, fabric, wood, metal, and glass.

A major part of our commitment to our customers is to provide comprehensive, practical, and insightful information about our products, as well as providing inspiration through a variety of project ideas and skill-building techniques. As we learn the creative ways artists use our products, we get excited about future product development. We are committed to offering new inks, tools, and materials to give artists a no-limit approach to their work. Let your creativity flow!

Beginner Guide

We developed a guide to help new crafters break into the world of cardmaking!

We have created a resource to inspire and educate people who are new to crafting and don't know where to start. All projects and techniques feature simple and easy steps that will help build the new crafters confidence, experience level, and stash. Make sure you are subscribed to our blog so you can see these ideas. We hope you can incorporate materials from this guide to grow the crafting community at your business too!

What to expect from this guide

1

Clear shopping list for supplies needed for each project, with a smaller budget in mind

2

Less is more with a limited number of steps

3

Easy to complete steps with full explanations on how each step is accomplished

4

We publish at least two Beginner Guide posts a month to keep adding to the fun

Stay connected on your favorite Social Media Channel!
